Which best describes your location (urban, suburban, rural):

Who leads missions for this church (staff, elder, other):

How many people serve on the missions team/committee:

Average number of worshippers on Sunday:

1. Please give an overview of the global missions effort.

2. How does the global missions program specifically address reaching least-reached people groups, those who still lack access to the gospel? Please specify how the effort addresses those in the Muslim, Buddhist, Hindu, or other specific bloc of people.

3. Please share one compelling story of an effort of this church's global mission program and how it impacted an individual or group of people.

4. How is this church mobilizing its members for God's global mission to the unreached through prayer, sending, going (short-term trips), and welcoming (refugees, immigrants, international students)?

5. Do members of this church currently serve on the mission field? Briefly describe their location or region and primary ministry.

6. How has this church engaged the congregation in God's global missions across generations? (children, youth, adults)

7. How has the church partnered with other churches or organizations in its global missions effort?

8. Is the global mission effort of this church reproducible? How could this church serve as a model for other churches in the EPC?

9. How has global missions at this church contributed to a healthier local church?

10. Is this church engaged in church planting locally and internationally? If so, does one impact or enhance the other?

11. How has the church's leadership (lead pastor and session) contributed to the church's global missions focus? How has global missions impacted leadership development?

12. Additional comments?
